

Basic Science Course Comparison

NUHS vs. Allopathic

COMPARISON OF CLASS HOURS

BASIC SCIENCE COURSES

This graph compares the number of class hours of basic science courses taught students in the Doctor of Chiropractic Medicine Program at National University of Health Sciences with the average hours taught students at allopathic medical colleges.

* Data collected from the National University of Health Sciences 2005-2006 Bulletin.

† Data collected from the allopathic graduating class of 2008 listed in the Association of American Medical Colleges 2006 Curriculum Directory.
